

Center for  
Energy Education

Join Our Webinar  
**PLANNING**  
& **ZONING 101**

Planning and Zoning 101 is the first in a series of webinars focused on solar energy development in rural areas. This and others in this series will cover the basics and challenges of large-scale solar development in rural communities.

Friday  
27 June 2025

Time  
02:00 PM - 03:00 PM (EST)

**Connie Neininger**

Connie is the national policy advisor with the Center for Infrastructure and Economic Development. She assists local leaders in developing sound renewable energy policies. The Center provides fact-based information on large-scale renewable energy developments that helps county officials stay centered on their core community identities while enabling sustainable, long-term economic growth that benefits their residents and businesses.

**Key Points to be addressed:**

- Project Timeline
- Purpose of Planning
- Land Use and Zoning
- Project Location

**Connie Neininger**
